

We, the citizens of the town of Hillsborough, New Jersey and surrounding municipalities, petition the New Jersey Racing Commission to not approve off-track betting at the facility located on 150 US Highway 206 South, Hillsborough, NJ 08844.

Having an off-track betting facility in Hillsborough would bring in many out of town gamblers. Gambling has a negative impact on society. This would create safety and traffic problems. This would put a strain on our municipal resources as well. Off-track betting facilities are currently in Vineland, Toms River, Woodbridge, Bayonne. Do these towns resemble Hillsborough? I think not!! Hillsborough is a family town.

I demand the New Jersey Racing Commission reject off-track betting in Hillsborough immediately.
